1. You have said in your heart "there is no God," not.
You have said "God is real and I will know Him. I will walk in His ways and seek out His statutes."
You have said "I will write His laws on my mind and put them in my heart forever."
You have said, begun to taste, "the judgments of the Lord are pure" for everlasting.

2. Beauty begins at My house not made with hands, but existing real inside you.

3. You have said "I will enter the house of My God and whatever that costs me, whoever that associates me with, whoever that disassociates me with, whatever that does to my family of relationships-thought; I will walk in The House of My God forever."

4. You have sought Me and found Me as pure Gold, diamond'd Gold and pure incense of which you know nothing. You have come into Me and fearfully made Me your God, not afar off, but intimately with intimacy and not letting intellect, reason, logic, tradition, manners, customs, history, or relationships deter you. You would not be denied, and I have not denied you.

5. I have welcomed you into My arms of love and cast you not out to do menial chores of foreigners-thought. I love you. I am you, and when you enter My/your temple not made with hands and begin to cleanse the seat of your authority and relinquish it to only Me, in purpose, on purpose, intentionally, deliberately and with passion, passion, seeking Me with passion; oh what have I done for you? What will we share? The beauties of heaven, the beauties of our Father unlimited, infinite'd forever and ever amen.

6. Thou hast said in thine heart "there is no God," not.
You have said times and times many "I know you are real. I know you are real. I know you are real. I know you are real and you hear me, you hear me. You are where I am and where you are I will be. I come. And I will be what you want me to be. I will do what you want me to do. I will go where you want me to go. I will enter the house of My God whatever that is, wherever it is, and I will obey my Father. My Father is real. You are my Father and I love you. Here I am. Here I am. Here I am." "Here I am" a thousand times you said. Thank you.

7. Here I am Ted.
Here I am.
Here I am now in the here and now and I hear and I now say, here I am.
Here I am.

Here Ted, we are.
We are Ted, together, one; after your years of seeking and suffering painting/tainting not pictures of Me that don't exist, but word pictures of My heart that have cost you dearly in friends, relationships, family, position, respectability.

8. You abased yourself for My sake and now Ted, My crown, My crown, The crown.

9. Hear now Ted, you enter a new realm this day, reserved for the mighty not; the many not, but the surrendered few whom you lead now in righteousness peace and judgment none. Judgment all Mine. Judge righteous judgment (1). Amen and thank you. Thank you and amen.
Forthwith you see the righteousness of My hand.
Forthwith you become the righteousness of My hand.
Forthwith you lead My body in righteousness holiness and beauty, beauty beholding in My altogether lovely and helping My body all see beauty/The beauty/beautiful in My body all; all, all who surrender to Me, not as they think others should in their mind and doctrine. I said all. I meant/mean all and I observe the thoughts and intents of the heart never uttered and rule they do your mind/intellect.

10. I love My body. I love you.

11. You Ted I adore for suffering has led to a place of leadership that few choose but yields suffering demised and suffering gives way to knowledge and wisdom of the Holy, Me alone, My Father; we three are one. And cost it does to enter the realm of the real, the real, THE real and interpreted not; real without interpretation. See what I have said and edit not, edict not; let lie in the field/heart of those who choose to know/enter more. All choose. All choose. All choose.

12. This day I elevate you beyond your dreams, imagination; forethought, insight, never saw what is coming. I come. Thank you. In you, of you, of your name and lineage. See Me and be not demised. You are not demised. You are not diminished and, left alone never again. I love you. I alone Am. I love you. Amen.

13. You are at the beginning of suffering not, but My glory revealed in ever greater measure.

14. You have said in your heart "I know you are real and I want to know you, and whatever that means/costs/and wherever that takes me and whatever life I forego to lead the life you have for me, I surrender. I trust you. I trust you. I trust you."
How many times have you said to Me "I trust you?"
Thousands? Hundreds?
You lived/live it. You are it.
I thank you. I thank you. I thank you. I thank you.

I am you with I Am to the core, with no shadow having power of darkness.
I love you. Thank you. I am you.

15. You go now; arise, write, **proclaim My darkness not but the day of My appearing amidst darkness, gloominess, and men's hearts failing them; and My appearing beholds Me in Mine and Mine are Me. They are like Me, not. They are Me.** And shocked so many will hardly stand, hardly stand, won't stand; for all will bow and receive the knowledge of what they could have been/walked in/participated in, becoming at My table, when they see Me; and all will see Me and cataclysmia is here; now and now is and leaves not. I love you.

16. The suffering, the fellowship of My sufferings, you tried to escape not.
You come and look for/unto Me and said, said in your heart, "I know you are real. I am yours. Here I am. Here I am. Take me, break me, mold me, and pass me around to your people." You didn't just say it, you lived it. Ted, you ate it. You ate of the righteousness of those words and those words came/come through your flesh now to be My word of flesh not to My few; but My word of spirit, My voice, My being flesh to the few-not. Afraid not of controversy and railings of dogs in ignorance who royalty are, if they knew. You Ted, give honor due when they spit upon you, for none shall see My face in arrogance. Demise no one. Many will turn and repent after spitting and behold the majesty of our God, our Father; one in whom is no shadow or variableness of turning, whom we behold in righteousness equity and mercy.

17. Thou hast said in thine heart, "I will be like God," never.
You have said, you have come, you have lived a life of decision-making, questing into Me, to know Me for who I am, what I am, and that I have goodness and beauty for ashes; and knowing that I am not a God afar off, came unto Me to teach you and teach you and answer you and befriend you when no one knew/could know, your sufferings. Thank you taught of Me. Thank you for letting, letting, letting, allowing; seeking Me to teach you. Amen.

18. Behold the lamb arises to arise with healing in your wings; all understood, surrendered, mighty to Mighty. Thank you. Amen.

19. Daybreak. Watch Me, before. Watch Me.
Midnight. Watch Me, before. Watch Me.
Amen. Go in peace.

20. Wash the house of My beloveds, all; I love you; every nation tribe and tongue, every label, thought-cult, and demiser of doctrine all; no-label and those not knowing labels and afar off are from your culture/planet-thought. I love you. Empirical Me. Thank you. Amen.

21. Arise in power not, surrender.
Arise in surrender, love, compassion, holiness, righteousness, equity, judgment none, some, always righteous judgment (1).

22. Judgment begins at My house, My house-thought and real.
Quell not the qualms of the righteous-thought who elevate themselves/some over others.
Watch Me.
Speak Me, be Me and My word you are.
Bring beauty for ashes to the mighty many now arising.

23. Your beauty Ted, given to you by/as/for/are/is, Me alone.
All glory to Me and no other, forever, thank you.
Comforting, washing, cleansing, freeing many and letting captives go free.
Thank you. Amen.

24. Arise with healing in your wings, now, this moment not; this nanosecond nanosecond'd. Thank you. Amen. Smile, arise, joyful/joy-filled be and arise My arisables this day.

25. Paper written. Arise.

26. Go in peace. Majesty of only Me. Thank you. Amen.

27. Nothing changes not; all changes, so much changes.
Fearless one. Thank you. All-knowing not, all-surrender your name now and forever more with many more coming/is/are.
Amen.

28. I walk off from you never.
